PRODUCT DISPLAYS

Professional interactive tools for your sales staff!

These stunning interactive product displays are an engaging & compelling sales aid for your retail space or next promotional event.

High-gloss acrylic panels bolted on to a sturdy aluminum frame results in a solid display with a tactile feel as robust and professional as it appears.

Devices are supplied fully pre-programmed so that they will work perfectly, straight out of the box and they come with all the neccessary batteries, cables, magnets and pads. These kits are complete with *everything* you will need to professionally demonstrate your range of cura¹ products.

*Product displays with all the associated cura¹ equipment and accessories are available at **up to 49% lower than the reseller price.**

For more details PTO or call us.
