FEATURES

Guaranteed **18 month warranty**

Simple operation and maintenance

When fitted with a 2720 Universal Transmitter, pads & mats work with cura[1] cordless receivers eg. 2700, 2702, 2544, 2549, 3500R, 3501 & 3508

When fitted with a 2693 USB to RJ10 Breakaway Cable, pads & mats work with selected corded monitors or receivers eg. 2700, 2701, 2544

Pads made from easy to clean non-allergenic soft PVC

Mats have low profile edges to reduce tripping hazards & allow easy wheelchair access

Foldable mats in beige colour to help some Alzheimer patients who have trouble with dark mats being perceived as a "dark hole in the floor"

Full width bed pressure pad means reliable operation with practically no false alarms

TECHNICAL SPECIFICATIONS

Recommended weight range for reliable operation: 30 - 200 kg.
